A. Lanier by reason of the injuries and death of said mule; and, be it further

Whereas, The said State Planning Board during the past two (2) years has given more attention to mineral resources and their development in this State, to data of aid to the commercial fishing industry, and other industrial developments out of proportion to the investigations made to increase markets for farm products, except cotton; therefore, be it

Resolved, That the House of Representatives and the State Senate of Texas concur in a demand that the said State Planning Board give more attention during the coming biennium to study and development of those industries the establishment of which will tend to aid our farmers and stock raisers of Texas; and be it further

The bill was read second time.

Mr. England offered the following committee amendment to the bill:

Amend House Bill No. 128, by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. It shall be the duty of the Department of Public Safety of the State of Texas to require every motor vehicle registered in this State which is used over the highways of this State, except implements of husbandry, motor cycles and bicycles with motor attached, to have such motor vehicles inspected with respect to mechanism, brakes and equipment, by designated inspectors and/or at official inspection stations to be designated by the Department of Public Safety of the State of Texas.

Sec. 2. If such inspections disclose the necessity for adjustments, corrections or repairs, it shall be incumbent upon the owner of said motor

vehicle to have such adjustments, corrections or repairs made within the period designated by the Department of Public Safety of the State of Texas.

Sec. 3. The Department of Public Safety of the State of Texas may designate and appoint, subject to existing laws, competent inspectors of motor vehicles to examine motor vehicles required to be inspected in accordance with the provisions of this Act, and such inspectors may be delegated to enforce the provisions of the motor vehicle and traffic law. The Department of Public Safety shall have the power to make rules and regulations with respect to the character of the inspections to be made. It shall furnish to designated examiners official certificates of approval, serially numbered, which shall bear the facsimile signature of Chairman of the Department of Public Safety Commission of the State of Texas, and which shall, when issued, bear the registration number of the motor vehicle for which it is issued and shall be countersigned by the inspector and shall bear the true date of issuance. Such certificates of approval may be designed for pasting upon the windshield of any motor vehicle, and if so pasted, shall be pasted upon the lower right-hand corner of the windshield. The Department of Public Safety shall have power to purchase or lease any property for the purpose of carrying out the provisions of this Act.

Sec. 4. During the period designated by said Department of Public Safety any police officer, motor vehicle inspector, or member of the Texas Highway Patrol who shall exhibit his badge or other sign of authority may stop any motor vehicle and require the owner or operator to display an official certificate of approval for the motor vehicle being operated.

Sec. 5. It shall be lawful for any city and/or county having a population in excess of seventy-five thousand to establish, operate and maintain its own inspection station or stations for the purpose of conducting such inspection of motor vehicles as provided by this Act, provided such inspections be made in accordance with the requirements and specifications, rules and regulations of the Department of Public Safety. Such cities and/or counties establishing

such inspection stations may make a charge in an amount not to exceed fifty cents for any one inspection or One Dollar for all inspections made for any one vehicle in a single year.

Sec. 6. Any person who refuses to have his car examined, or after having had his car examined refuses to place the Certificate of approval, if issued, upon his windshield, or any person who fraudulently obtains a certificate of approval, or any person who refused to place his car in proper condition after having had said car examined, or any person who in any manner fails to conform to the provisions of this Act shall be guilty of violating the provisions of this Act and shall be subject to a fine not exceeding One Hundred (\$100.00) Dollars for the first offense, and for the second offense a fine of not more than Two Hundred (\$200.00) Dollars, or by imprisonment of not less than thirty days, or both fine and imprisonment.

Sec. 7. The enforcement of this Act shall be entrusted to the Department of Public Safety of the State of Texas and they are hereby authorized and empowered to make rules and regulations necessary for the administration and enforcement of this Act. The Department of Public Safety of the State of Texas is hereby authorized to employ, subject to existing laws, any person or persons it may require for the administration and enforcement of this Act.

Sec. 8. If any section, paragraph, sentence or clause of this Act be declared invalid, such shall not affect the validity of the remainder of said Act and the Legislature hereby declares that it would have passed the remainder of said Act without such invalid provision.

Sec. 9. Article 6696 of the Revised Civil Statutes of Texas, 1925, and all laws and parts of laws in conflict herewith are hereby repealed.

Sec. 10. The fact that the highways of the State of Texas are crowded with vehicles of every kind and character, some of which, because of faulty equipment or defective mechanism, constitute a grave hazard to the safety of the people of this State, and the further fact that the number of automobile accidents, has, because of such hazard, increased at an alarming rate, creates an emergency and imperative public necessity that the

constitutional rule requiring bills to be read on three several days in each House be suspended and the same is hereby suspended, and that this Act shall take effect and be in force from and after its passage and it is so enacted."

Mr. Reed of Dallas offered the following amendments to the amendment:

Amend committee amendment to House Bill No. 128, Sec. 1, by striking out the words "motor cycles" in this section and in all other sections where the words "motor cycles" appear.

All laws and parts of laws in conflict with this are hereby repealed."

Mr. Harris of Dallas raised a point of order, on further consideration of the amendment, on the ground that the amendment is not germane to the bill.

The Speaker sustained the point of order.

Amend the amendment by striking out the word "purchase" in line 13, page 2.

The amendment was adopted.

"Article 5743. (c) Any association as defined in Article 5738 (e) may become a member or stockholder of any other association or associations organized hereunder."

Section 3. Chapter 8, Article 5746 of the Revised Civil Statutes of Texas, 1925, as amended by the Acts of 1930, Forty-first Legislature, Fourth Called Session relating to Cooperative Marketing Associations is hereby amended so as to read as follows:

"Article 5746. By-Laws. Each association incorporated under this Act must, within thirty days after its incorporation, adopt for its government and management, a code of by-laws,

not inconsistent with the powers granted by this law. A majority vote of the members or stockholders, or their assent, is necessary to adopt such by-laws as well as any amendment thereto. Each association, under its by-laws may also provide for any or all of the following matters: (a) The time, place, and manner of calling and conducting its meetings. (b) The number of stockholders or members constituting a quorum. (c) The right of members or stockholders to vote by proxy or by mail or by both and the conditions, manner and effects of such vote and the method and manner in which an association which is a member may cast its vote. (d) The number of directors constituting a quorum. (e) The qualifications, compensation and duties and term of office of directors and officers; time of their election and the mode and manner of giving notice thereof. (f) Penalties for violations of the by-laws. (g) The amount of entrance, organization and membership fees, if any; the manner and method of collection of the same, and the purposes for which they must be used. (h) The amount which each member or stockholder shall be required to pay annually or from time to time, if at all, to carry on the business of the association; the charge, if any, to be paid by each member or stockholder for services rendered by the association to him and the time of payment and the manner of collection and the marketing contract between the association and its members or stockholders which every member or stockholder may be required to sign. (i) The number and qualification of members or stockholders of the association and the conditions precedent to membership or ownership of common stock; the method, time and manner of permitting members to withdraw or the holders of common stock to transfer their stock; the manner of assignment and transfer of the interests of members, and of the shares of common stock; the conditions upon which, and time when membership of any member shall cease; the automatic suspension of the rights of a member when he ceases to be eligible to membership in the association, and the mode, manner and effect of the expulsion of a member; manner of determining the value of a member's interest and provision for its purchase by the association upon the death or withdrawal of a member or a stockholder, or upon the expulsion of a

member or forfeiture of his membership, or, at the option of the association, by conclusive appraisal by the board of directors. (j) In the case of withdrawal, expulsion or death of a member, or the forfeiture of his membership, and in the event no provision is made in the by-laws as to the manner of determining the value of such member's property interest in the association, or the manner and method of payment thereof, then the Board of Directors shall equitably and conclusively appraise his property interest and shall fix the amount thereof in money, which shall be paid to him, or his heirs or legal representatives, within one year after such expulsion, withdrawal, death or forfeiture; provided, however, the words 'property interest' shall not be construed to cover reserves belonging to such member, which were retained by the association for credit and other general purposes from patronage proceeds pursuant to provisions in the by-laws, a written marketing agreement, or other contract entered into between the association and such member, but that the manner of determining the value and payment of such reserves to such members shall be governed by the provisions of such by-laws, marketing agreement or other instruments."

Section 4. The fact that the existing Cooperative Marketing Law is ambiguous and does not readily lend itself to a certain interpretation of its provisions concerning the manner of appraising the value of a member's property interest in a Cooperative Marketing Association and disposition thereof, and the further fact that certain provisions concerning powers and membership in Cooperative Marketing Associations needs to be extended, create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read upon three several days in each House be, and the same is hereby suspended, and this Act shall take effect, and be in force from and after its passage, and it is so enacted.

Amend House Bill No. 899, by striking out all above the enacting clause and insert in lieu thereof the following:

"An Act amending Chapter 8, Article 5742 of the Revised Civil Statutes of the State of Texas, 1925 as amended by Acts of 1930, Forty-first Legislature, First Called Ses-

sion, Acts, 1930; Forty-first Legislature, Fifth Called Session, Acts of 1934, Forty-third Legislature, Second Called Session; amending Chapter 8, Article 5743 of the Revised Civil Statutes of Texas, 1925 as amended by Acts of 1930, Forty-first Legislature, Fourth Called Session, Chapter 8, Article 5746 of the Revised Civil Statutes of Texas, 1925, as amended by Acts of 1930, Forty-first Legislature, Fourth Called Session, relating to Cooperative Marketing Associations providing for purpose and powers of the Cooperative Marketing Association; providing who may become members of such Marketing Association and providing for the manner of determining the value of and payment for the interest of members upon death, expulsion or withdrawal or the forfeiture of membership, in the event that no other provision is made therefor in the by-laws of such association, and declaring an emergency."
